Statements against Evaluation Criteria

1. Evidence of school leadership in STEM (600 words or less)

Briefly describe your school leadership approach to STEM. Please comment on the vision for STEM education in your school; the approach for inspiring and motivating the leadership team and community; the resources allocated to implement this vision; and the use of data in planning and evaluating the impact of your STEM education initiatives. Please also outline any STEM mentorship your school has provided to other schools.

(enlarge text box as needed)

2. Evidence of quality STEM teaching (600 words or less)

Briefly describe your school's teaching approach to STEM education. Please comment on your teachers' enthusiasm and advocacy of STEM; the level of collaboration between STEM teachers, the community and STEM providers; and innovation and enrichment opportunities for students across a broad range of topics, for example enquiry methods, physical and biological sciences, mathematic and digital technologies.

(enlarge text box as needed)

3. Evidence of student engagement and outcomes (600 words or less)

Briefly describe your school’s approach to student participation in a broad variety of activities for all students. Please comment on the impact of STEM activities on student engagement, participation and learning.

(enlarge text box as needed)

4. Evidence of student engagement and outcomes

List the STEM enrichment activities your students have participated in, or will participate in, during 2018. Examples include: internal school activities (such as enrichment programs, guest speakers, competitions and clubs) and external school activities (such as Science Talent Search, Have Sum Fun, RoboCup, competitions and excursions, and other STAWA or MAWA programs.

Activity and name of provider	Number of students (estimate)	Number of teachers

Use of photographs for promotion

By signing this form you consent to Scitech and the Department of Jobs, Tourism, Science and Innovation using and/or publishing all photographs, images and videos taken of you in any publication, advertisement or media, print or electronic, related to the Governor’s School STEM Awards. By giving consent you acknowledge that this information may be published online and will be accessible to other parties. You understand that by signing this form you are waiving any rights, claims or interest and will not be entitled to any remuneration or compensation for the use, distribution or publishing of these materials hereafter.

This consent is assumed unless you expressly inform Scitech and the Department of Jobs, Tourism, Science and Innovation otherwise. This consent does not include the use of any photographs or other media containing images of children.

Acknowledgement

I acknowledge that I have read, understood and agreed to the contents, conditions and provisions of this and all other documentation related to my application to the 2018 Governor’s School STEM Awards. I hereby certify that all information I have provided is truthful and accurate to the best of my knowledge. I certify that I understand the provision of false or misleading information will result in the automatic dismissal of my application.
