

A photograph of a woman with glasses and a blue scarf, and two children (a girl and a boy) looking intently at a project on a table. The woman is pointing at the project. The boy is wearing a grey hoodie with a graphic design. The girl is wearing a dark blue shirt. They are all focused on the task at hand. The background is slightly blurred, showing other people and a green wall.

Scitech

Maximise learning while amplifying the fun, with a Scout Badge Night at Scitech!

We're known for the unique and interactive ways we engage with the WA community and our Discovery Centre will give your scouts an experience to remember. At Scitech we make it easy to plan a rewarding Badge night, specifically designed to fulfill the requirements for an Achievement Badge from the Yellow Cub Record Book.

For those who haven't visited us before: we are a hands-on Discovery Centre dedicated to igniting a lifelong curiosity in science, technology, engineering and mathematics. We are home to 6 exhibition galleries featuring world-renowned exhibitions, the largest Planetarium in the Southern Hemisphere, an entertaining science theatre and a fully equipped science lab.

Where are we?

Located in the City West Shopping Centre in West Perth, we have ample parking or easy access to public transport for you and your guests.

TRAIN

We are located a short 3 minute walk from the City West Train Station (Fremantle Line) and a 15 minute walk from Leederville Station (Joondalup Line).

BUS

2 minute walk from City West Station bus stop by bus 84 – Perth to Hale Road / West Coast Hwy or Green Cat – Elizabeth Quay to Leederville Station.

“

Thank you for all that you guys have done to make the night a success. It was a great night & the cubs really enjoyed themselves.

Badge Specialisations in detail

Space Badge

Help your Scouts reach new heights with our Scitech Space Badge. At the end of the evening your scouts will have ticked off the requirements from the Space 1 & 2 Badge in the Yellow Cub Record Book.

Scouts are invited to a live Planetarium show where our presenter will incorporate information on natural occurrences and satellites in space, constellations such as the Southern Cross and how they can be used to find your way, as well as creating their own pinhole planetarium to take home.

Specific knowledge requirements are demonstrated using questionnaires designed by Scitech, which are sent through to Scout Leaders prior to the event.

Scientist Badge

Ignite your Scouts' curiosity with our Scitech Scientist Badge. After attending the event, Scouts will walk away completing requirements for the Scientist 1 & 2 Badge in the Yellow Cub Record Book

During the evening scouts are invited to improve their knowledge on WA scientists, look at some of the equipment used in scientific research and watch a live show in the Chevron Science Theatre highlighting safety procedures. They will be able to put this acquired knowledge to use by performing a chemistry experiment in groups and interacting with exhibits in the galleries.

Specific knowledge requirements are demonstrated using questionnaires designed by Scitech, which are sent through to Scout Leaders prior to the event.

What to Expect

Pre-Event

- For the Space Achievement Badge, Scout Leaders will split Scouts into groups of no more than 30; with at least 1 adult supervisor for every 10 Scouts.
- For the Scientist Achievement Badge, Scout Leaders will split Scouts into groups of no more than 30; with at least 1 adult supervisor for every 5 Scouts.

Event

Groups will rotate through each space with activities from 5.30pm to 8.00pm on weekday nights bookings and 6.00pm-8.30pm for weekend bookings.

Post-Event

Scout Leaders will arrange the marking of any questionnaires completed on the night to ensure that Achievement Badge requirements have been met.
