

Excursions:

School Holiday Pre-Booked Groups

We offer discounted entry for groups of 20 people or more at any time if you pre-book your visit to Scitech. Pre-booked groups are for a maximum of 2 hours at a discounted rate. We have two options, either an AM session or a PM booking option, please see below for both options.

Morning session includes:

10am - 12pm

- Free time at general exhibit galleries.
- Availability of a Planetarium show or Science Theatre show during your visit. Please let us know which show you would prefer when making the booking.

Afternoon booking includes:

1pm - 3pm

- Free time at general exhibit galleries.
- Availability to see a Planetarium show during your visit.

Pre-booked group terms and conditions:

- No bookings during July school holidays: bookings are available every holiday but not offered during July school holidays. Groups may still visit during this time by pre-purchasing tickets online or at the door.
 No discounts offered.
- · Booked groups will have 2-hour access to the centre.
- Lunches CANNOT be consumed at Scitech due to space restrictions during school holidays. We suggest groups have lunch at nearby Harold Boas Gardens on Wellington Street, or at Kings Park.
- A pre-booked group booking may include a Science Theatre Show or a Planetarium Show.

Prices (GST free):

	AM Prices	PM Prices
Child	\$14.00	\$12.00
Adult	\$23.00	\$23.00
Concession	\$15.00	\$15.00

Pre-booked groups are also entitled to 1 supervising Adult FREE OF CHARGE for every 8 children attending. This aligns with a 1 adult : 8 children supervision ratio.

Transport and Parking

Coach travel

Children should be dropped off at the roundabout at the front of Scitech, so that children can safely disembark before entering Scitech. Bus parking is available on the Sutherland Street side of the City West complex. A ticket will need to be purchased from the City of Perth ticket machines and displayed on the bus dashboard.

Train travel

Scitech is a 2 minute walk from City West train station (Fremantle line), or a 20-minute walk from the Leederville train station (Joondalup line).

Contact Transperth staff to organise low-cost options for your transport.

By car

Science Centre visitors will now need to purchase a \$5 for 5 hours parking ticket. To buy your \$5 for 5 hours ticket please register your car number plate with one of the ticket machines which are located outside the Scitech Lab on Level 1, or near the Ground Floor Scitech ticket desk. Payment can be made via card (tap-n-go) or with coins.

Two-hour FREE parking will continue to be available at the Centre, but you'll still need to register your car with the parking meters in the car park before coming up the escaltors.

Supervision

Breaking up into smaller groups assists with supervision within the centre and encourages discussion and exploration of exhibits. Please ensure that leaders and parent helpers are aware of their responsibility and duty of care for their group during the visit.

Identification

Please ensure that children from your group can be quickly and easily identified e.g. some form of badge, coloured tops or hats which identifies the group that they are with is an extremely good idea. Leaders should also wear an identifying badge so that lost children can be easily reunited with their group.

Food and drink

There is a water fountain located in the City Views area (toward the back of the centre). Vending machines with snack food can also be found here. Please also see guidelines regarding lunch restrictions for groups.

The Discovery Shop

You are welcome to take your group into the Discovery Shop during your visit. If you choose to, please do so in small supervised groups, with a group leader in.

Customer Service Team

To check availability or secure your booking, contact us by phone or email 8.30 am to 5.00 pm, Monday - Friday.

Enquiries and bookings
