How many children can I invite?

You can have 15 to 25 invited children at your party. One free adult ticket is included with each invited child.

We are unable to accommodate more than 25 children in the private Birthday Party Room due to health and safety requirements and will not be compromised.

The top banner features a dark blue background with various geometric shapes like stars, squares, and circles in lighter shades. On the left, there are illustrations of balloons in purple, pink, and blue, along with a molecular structure. The Scitech logo, consisting of the word 'scitech' in white lowercase letters on orange rectangular blocks, is positioned to the left of the main title.

Extra people are not permitted in the private birthday party room.

It's Party Time!

When should I arrive, and where do I check in?

Both you and your party guests can arrive any time during opening hours (9.30am - 4.00pm) to enjoy Scitech before/after the booked party time.

Please tell your invited guests to arrive at Scitech at least 10 minutes before your party start time and present their invitation at the Front Desk. The staff will let them know where your incredible Scitech Party Host will meet you and your guests.

When can I use the Private Birthday Party Room?

You can take your supplies into the private party room **10 minutes before** your booked time. Scitech is unable to store your supplies prior to your party time.

You will have 40 minutes to spend in your private room **either before or after** your theatre show to have snacks and cake. All people and personal items must vacate the room by the end time specified by your booking confirmation.

Can I decorate the Party Room?

Our bright and inviting party room is already fabulous so you do not need to bring anything! If you do wish to personalise the tables, keep in mind you only have access to the room for **10 minutes** prior to your booking time, so less is more!

Can we bring food into the birthday party?

Absolutely! You are welcome to supply snacks and drinks (non-alcoholic) for the invited children to be consumed during your 40-minute use of the Private Birthday Room.

Scitech provides tables, stools, tablecloths, chairs and crockery (plates, cups & spoons) for the invited children.
